

perfin pattern C265.. I cannot say for sure because the pattern is off center to the point that it is split in two and there appears to be some extra holes as it may have be partially double punched.

I measure the pattern as 5½ mm vs. 5 mm on both the stamp and the listing in *The Catalog of United States Perfins*. Only the 10¢ Monroe (Scott Catalogue number 642) is perfined. It appears that there is enough room for another stamp to have been to the right of the one on the envelope. The illustration is my attempt to reproduce the pattern as it appears on the stamp.

The corner card lists Chatham Phenix National Bank and Trust Company, 530 Seventh Ave. at 39TH Street, New York, NY. The CNB matches Chatham Phenix National Bank.

Chatham Phenix National Bank - C265 - Possible

Bill Donle (#1356)

I recently purchased the cover photographically cropped and illustrated on the top of page 111. I judge the 10¢ Monroe stamp to be punched with
